Why support the **Employee Giving Campaign?**

The campaign offers an opportunity for employees to give back to their local ministry while supporting areas of greatest need, the employee relief fund or other vital programs and services that assist in our ability to provide exceptional care.

Giving stays local and funds help support areas of greatest need such as:

Patient impact programs and health care services

Education, training and assistance for our employees

Advancements in new technology and medical equipment

BECAUSE OF YOU...

\$679,978

total donations received through the 2022 Employee Giving Campaign

211 EMPLOYEES IN NEED

received assistance through the Employee Relief Fund in 2022

Every gift, no matter the amount, makes a significant difference in the lives of our patients and the dedicated members of our SSM Health family.
