## Why support the **Employee Giving Campaign?**

The campaign offers an opportunity for employees to give back to their local health ministry while supporting areas of greatest need, the employee relief fund or other vital programs and services that assist in our ability to provide exceptional care.

Giving stays local and funds help support areas of greatest need such as:

**Patient impact programs and health care services**

**Education, training, and assistance for our employees**

**Advancements in new technology and medical equipment**

## BECAUSE OF YOUR SUPPORT...

Every gift, no matter the amount, makes a significant difference in the lives of our patients and the dedicated members of our SSM Health family.
